

Nancy Wade

Office Assistant

Education

Bachelor of Arts Degree, University of Northern Colorado
Graduate of Widefield High School, Colorado Springs, CO

Experience

Nancy is a retired teacher having taught in Widefield District 3 for 33 years. She taught business classes at both the junior high and high school level. During the last seven years of her career, she created/developed and coordinated the school-to-work program to the three district high schools. She also taught part-time in the business department at Pikes Peak Community College for 12 years. For two summers, Nancy worked at the Cheyenne Mountain Zoo.
